1. **Approval of March minutes** (Approved)
2. **Old Business**

- As pre approved, \$1600.00 was transferred to the school to be used for gym equipment. This has yet to be spent.
- Cooking kits were purchased but the use of them will be proceeding with caution due to the current policies in place due to Covid 19. They will be stored in the meantime.
- Yearbooks are here, and need to be distributed. Liz will discuss this with Heather and Jean. We will sign up again for the 2020-21 school year.
- Hot Lunch: Money that is owed to families from March order is \$257.00. It is believed that Sandy squared up with families that requested monies be returned. Heather will contact Sandy to inquire.

3. **Principal's Report**

- Heather will be leaving GPS on Sept 24. She will be the new principal at Amherstview. Jean Paquin will be our new principal. Welcome Jean!
- School numbers are down. Usually we have 134 students enrolled and this year we are down to 124 (including remote learners), 112 (without remote learners). This will mean that there will be a reorganizing of classes in the next few days. We will likely be going to 2 triple grades: potentially a jk/sk/1 and a 4/5/6 split. This has been a scenario we have expected for some time and is not solely due to Covid 19, it is important to remember that if families start leaving due to the three way splits it hurts the schools numbers.
- Today is the deadline for opting in/out of in class learning.
- **See below for teacher wishlist**
