

Welcome to all our Grizzlies and their Families!

We invite you to be part of our School Council!

**Being part of the School Council you will become a fundamental part
of our school community.**

Council is fortunate enough to be able to fund many activities and opportunities for the students throughout the year, through various volunteering and fundraising opportunities. We also have the chance to hear school updates from the Principal.

***We meet at the school once a month
(usually the 2nd Wednesday of the month at 6:00 pm)***

We look forward to welcoming you at our next council meeting!

Please follow us on facebook for updates in our school community, when our next council meeting will be, and feel free to email us with any questions!
